HAGERTY URGES MORE ECONOMY

Councilman Seeks Decrease in Tax Levy and Curtailment of "Special Investigation" Funds.

Councilman Jere P. Hagerty started a movement for economy at the regular meeting of the committee of the whole of the common council last night.

He urged a decrease in the tax levy, no increase in the policeman's pay, a non-favorable report on the report of the ways and means committee on the budget of appropriations, and prohibition of further "special investigations" by the board of public safety.

He declared that the tax levy could easily be lowered to \$1.25 from the levy established of \$1.29, and that it was made more feasible by the abolishment of the city hall fund, which heretofore has been represented by a four cent levy in the tax list.

He questioned the advisability of allowing the board of public safety a miscellaneous police expenditure fund of \$4,265, an increase of \$500 over the same figure of last year. He demanded that John A. Hibberd, Harry E. Josephson and Clem Smoger, members of the safety board, who were present, explain certain items of alleged extravagance, which had been furnished him by the city controller.

Forms Minority.
He demanded all of these things, heard some talk by Mr. Hibberd, a little more by Chief of Police Millard F. Kerr, and with three other members of the council formed the minority side when the appropriation ordinance was passed upon favorably by the entire committee.

Items to which Mr. Hagerty and other members of the council took exception included expense account of Chiefs Kerr and Kuespert in attending conventions, investigations and other traveling expenses. He took particular exception to the item included in the 1916 budget of \$200 to pay for services rendered by J. H. Quilhot, as a special "vice" investigator.

He called the attention of the council to the fact that the miscellaneous expenditures item in the safety board's appropriation for the past year was \$321.22, nearly three times as large as it was the year previous. He called the attention of the council to the fact that the safety board had paid T. P. Reed, a private detective, the sum of \$71.40 for special investigations.

Report Is Passed.
"I am not talking politics in demanding that these things be investigated," said Mr. Hagerty. "Now is the time for real economy if we want to escape the situation which existed among the working class of the city through last winter. We can take small amounts off the appropriation, a 14 here and a bit there, until the tax levy is reduced to \$1.25."

"That will leave a two-cent levy for the recreation fund."

The report of the ways and means committee on the budget was passed by a vote of 5 to 4.

An ordinance providing for the erection of an electric archlight at the intersection of College st. with the C. & S. tracks was held over until the next meeting of the council.

HIKE TO HENNEPIN FONDS

Recreation Director Earnes Takes 12 School Boys on Trip.

Hennepin ponds, situated southwest of the city, was the destination of 12 Coughlin school boy hikers Tuesday afternoon under the supervision of P. B. Barnes, recreation director. The hikers went out the Division st. road until they reached the old LaSalle trail traveled by LaSalle in 1673 passing from the St. Joseph river to the Kankakee marsh, traveling down this trail to Hennepin ponds. Director Barnes told the young explorers stories of LaSalle. "Grub" was cooked by the boys and after playing Indian games they returned to the city.

CARRIE REIN GIVES UP WORK

Ill Health Forces Secretary of Associated Charities to Resign.

Miss Carrie Rein, for the past 10 years secretary of the Associated Charities, and who resigned her position last winter because of ill health, will give up her duties Monday. Her successor, Miss Leila Scott, of Indianapolis, will come to South Bend then. While Miss Rein has been in South Bend, her work with the Associated Charities has placed it on a sound basis. Under her directorship, the charity association has been enabled to handle more cases a year than it did formerly. Mrs. L. E. Van, chairman of the committee which selected Miss Rein's successor, declared Tuesday night that she has been very efficient in performing her duties, and that her present poor health is due to her untiring efforts for the Associated Charities.

Miss Scott, who succeeds Miss Rein, is a young woman, a graduate of Indiana, and has a number of years training with the Indianapolis city charities. "She has been highly recommended," said Mrs. LeVan, "and I have no doubt but what she will prove a capable successor to Miss Rein. She will come to South Bend Monday and take up her work."

Miss Rein is undecided what she will do except to take a rest. She returned only recently from a month's vacation but the strenuousness of her duties at the office of the Associated Charities has undermined her health to such an extent that she will not attempt any further work for a year or more.

SPEAKS ON INDIA

Rev. E. Holberg, Missionary, at Swedish Evangelical Church.

Rev. E. Holberg, a missionary from India, occupied the pulpit at the Swedish Evangelical church Tuesday evening telling many thrilling experiences he has met with during the past 17 years he has been in that country. "India has progressed during the past decade more than it has in a single century previous to this time," he said. "Temples of the most beautiful architectural designs are found in that country. People have become educated during the past decade not only intellectually, morally and spiritually, but scientifically as well. The people are becoming connected with other nations of the world and are learning the customs of the modern nations."

KNOCKED FROM BICYCLE

Alvin Breckenridge, residing at 1309 E. Sorin st., while en route to work on his bicycle at 6:30 o'clock Tuesday morning, was hit by a west-bound car at the corner of Madison and Hill sts. He was removed to St. Joseph's hospital, where an examination showed one ear had been torn off, in addition to severe injuries to his left side.

Mr. Breckenridge is employed at the Oliver Plow works.

LODGE NOTES.

The annual banquet of the Red Men will be held Sept. 22 at 7:30 o'clock at the Red Men hall under the auspices of the Montauk tribe, No. 426, according to plans made last night at the regular meeting of the tribe at their hall. The event will be in the nature of a stag party. The entertainment committee has arranged for a card party and smoker during the evening.

Speakers of prominence in the Red Men circles will be present and deliver talks on the good of the Red Men order. During the evening five ball games will be played between South Bend and Mishawaka Red Men, three of which will be played in this city and two in Mishawaka. A business men's class of candidates will be taken into the lodge during October.

First and second degree work was put on last night at the regular meeting of the Crusade lodge, No. 14, Knights of Pythias, held at the K. of P. hall.

NIPPOLD WILL PLACED ON FILE

Two Sisters Are Made Chief Beneficiaries in Document Filed for Probate.

Two sisters, Emma C. Zeltner and Amelia Schroeder are the principal beneficiaries of the estate of Francis C. Nippold, veteran employe of the Oliver Chilled Plow works, who died at the Oliver hotel last Thursday night, according to the will which was filed with the county clerk for probate Tuesday. Andrew Zeltner was named as the trustee of the estate and executor of the will.

By the terms of the will the executor is ordered to turn the property into state, county or municipal bonds and the interest or income from the estate goes to the two sisters. To another sister, Minnie Christman, of Oakland, Calif., is left the sum of \$1.

Joseph D. Oliver, Jr., friend of Mr. Nippold, is left \$1,000 with which the deceased requests that art treasures be purchased. H. Gail Davis, friend and associate of Mr. Nippold, receives \$1,000 by the terms of the will. Walter A. Weed, Jr., another friend, is left the same sum.

Miss Catherine E. Buckley is to receive \$200 if she is in the employ of the Oliver Chilled Plow works at the time of Mr. Nippold's death. Mrs. Emma Randall of the Oliver hotel is left the same amount if she still lives in South Bend.

Henry W. Nippold, a brother residing in California, is left \$500; another brother, Charles E. Nippold, Stockton, Calif., \$100, and a third brother, George A. Nippold, \$100. Five hundred dollars is left to each of the children of Henry W. Nippold and the same amount to the son of Amelia Schroeder.

WILL WIDEN TWO STREETS TEN FEET

Work on Mishawaka Av. and Eddy St. to be Finished This Summer—Pave Next Year.

Eddy st. and Mishawaka av. will be widened 10 feet this summer, according to the action taken at the meeting of the board of public works, held Tuesday night at the city hall. The resolution to that effect, discussed at a public hearing held last Tuesday, was confirmed by the board. The work of widening will be completed this summer, with the probability that the streets will be paved next summer.

The board also confirmed and modified the resolution to gravel Prairie av. The original resolution provided for graveling the avenue from Grant st. to the city limits, but the board decided last night to only do the work from Grant st. to Olive st.

A resolution for a grade, curb and walk on Robinson st. was confirmed, and bids ordered. A petition was received, and a resolution ordered for the paving of Keasey st. from Michigan st. to Carroll st. Assessment rolls of the Grant st. plow sewer, and for the opening of an alley east of St. Peter st. from Corby st. to Howard st., and an alley east of St. Peter st. from Howard st. to the first alley north, were confirmed. The contract for the grade, curb and walk on DuSable av. between the west line of High st. and the west line of Dale st. was awarded to C. L. Hendley, whose bid was \$765.25.

Bids were received at the regular meeting of the board Tuesday morning for the installation of a curb and sidewalk on DuSable av. These were referred to the engineer for tabulation and will be reported back at the meeting of the board tonight. A remonstrance from 26 property holders on Allen st. between Van Buren st. and Portage av. was received and placed on file.

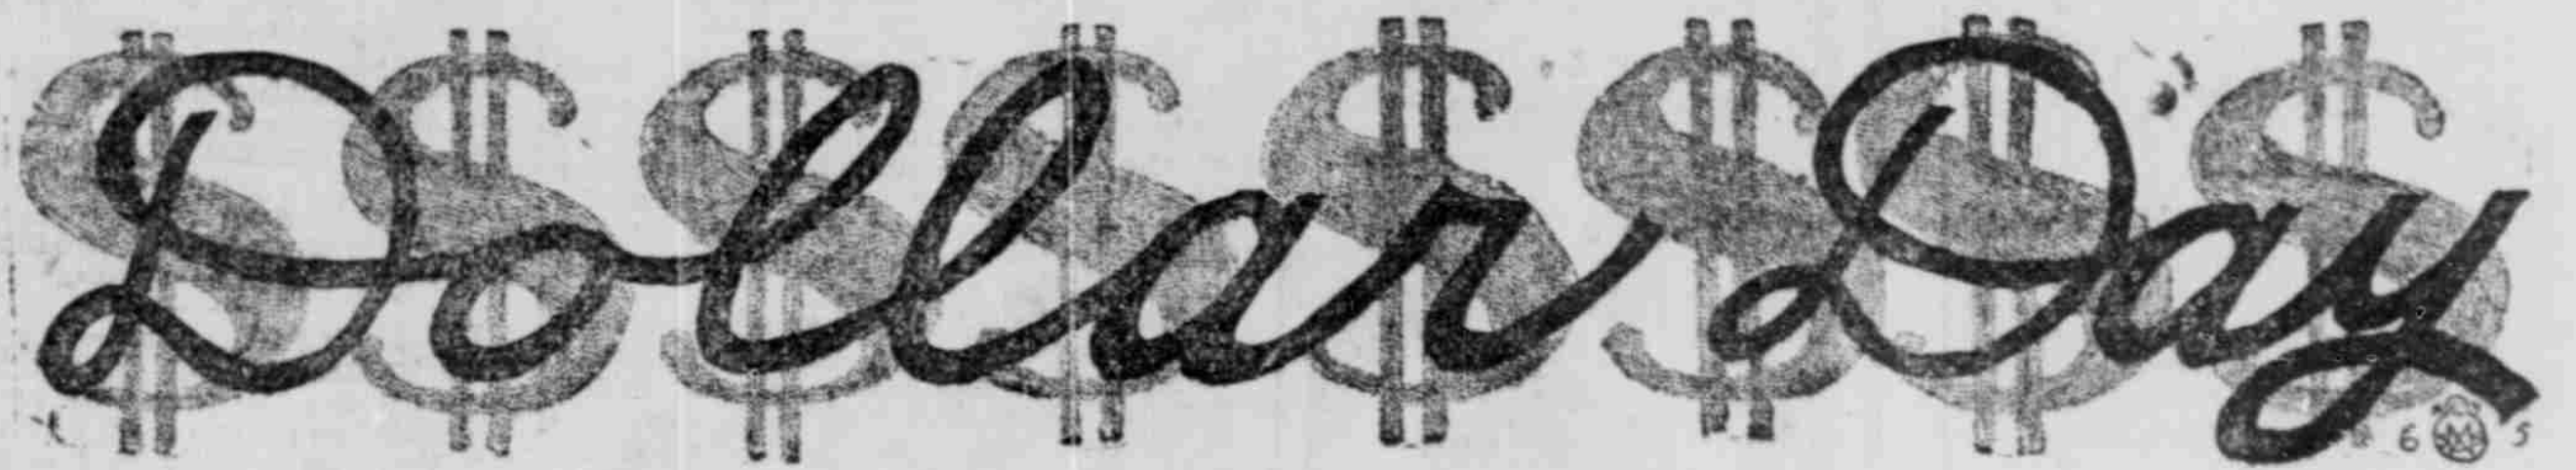

The Home Telephone Co. filed a set of blue prints, detailing the proposed net of underground wiring to be installed by Jan. 1.

HURT IN AUTO ACCIDENT.

Mr. and Mrs. W. B. Pratt of Elkhart were called at Harrisburg, Pa., having received word of an automobile accident in which their daughter, Mrs. Oliver Sheras, was a party. Mrs. Sheras, who was not seriously injured, but suffered from the shock, is improving.

CHAS. B. SAX & CO.

MICHIGAN—COR. WAYNE STREET. SOUTH BEND.

New Life Raft Tested in Dardanelles

NEW BRITISH LIFE RAFT.

The picture shows British sailors on the war vessels now swarming the Dardanelles testing out the new life rafts with which the British navy is now being supplied. A large air ring of airtight canvas forms the principal portion of the raft. The bottom of canvas enables the men to sit inside the ring as if in a boat, partly filled with water.
